BIOGRAPHY SHORT

7 Dials Mystery is a punk rock band rocking the venues of Salzburg, Austria, and beyond. These four lads set out to create a punchy, energetic and melodic sound that echoes the work of artists such as All Time Low and No Use For A Name.

The group transcends the punk formula and adds some beautiful influences to their sound, with great delay and reverb effects in the vein of Angels and Airwaves, U2 or The Cure, just to mention a few.

The band recently hit the recording studio to work on their new album, "Bubbles and Guns", set to be released on 7th June 2017.

The album is a culmination of several years of playing together, refining their chemistry and develop their sound in a truly special way.

7 DIALS MYSTERY - >>SPECIAL CLASS PUNK ROCK!<<

Who connects Austria solely with the Alps, lederhosen and alpine folk music will be extraordinarily surprised, when he hears that the descendants of Mozart also know how to delight people by solid, modern Punk Rock! There are four ambitious, Austrian musicians with the sounding name 7 DIALS MYSTERY who are rocking stages all over the world since 2010 with a breath taking, modern and nevertheless authentic way of Punk Rock.

Their mixture between sophisticated riffs and catchy melodies shows that even after more than 30 years Punk is still able to move masses! The four guys proved this fact in numerous concerts within the last years. Among this amount you will find concerts at the legendary Donauinselfest in Vienna as well as concerts at the Zipfair Festival together with the famous Dog Eat Dog (US) and the well-known Killerpilzen (DE). Furthermore 7 DIALS MYSTERY played various concerts as support for international Punk legends like Mad Caddies (US), The Bouncing Souls (US), The Menzingers (US), Ignite (US), Joey Ramone (US) or Silverstein (US).

Although 7 DIALS MYSTERY initially has been founded as a three man band and also released its first EP "Dog Against The System" as a threesome, Chris, Gery and Alex fast realized that for their completion, they would need a fourth band member, which already has been found after a short time in the talented guitarist and singer Mike.

The enormous successful, in autumn 2013 released second EP with the emotional name "Broken Bones, Hearts and Souls" as well as the corresponding first music video for the song "Reason To Forgive" display one more time that 7 DIALS MYSTERY not only knows how to make professional Punk Rock, they can moreover easily keep up with international successful bands!

After Mike quit the band Al Basso, a sophisticated bass player, joined the group in 2015. After two years of work they released their first studio album called "Bubbles And Guns" on 7th June 2017. Shortly before the album release two music videos have been published to the songs "Stockodrom" and "Benefits & Networks". The album as well as the their whole music is about politics, modern life, friendship, lifestyle and sociocritical.
